

## Celebrity Look-Alike Competition

In February Capri hosted a Celebrity Look-Alike Competition. This was done in the Esthetics & Make-Up program, where students had to pick a celebrity and create the celebs look on their model. Esthetic students formed small groups and also picked one Cosmetology student to join them, the Esthetic students applied the Make-Up and the Cosmetology students styled hair. We had Marilyn Monroe, Adele and Megan Fox.... Marilyn Monroe took First Place!

Our competitions are just another way that students at Capri earn a 5 STAR quality education. They get to express their creativity and have fun while learning. It also teaches students to work together as a team. In the beauty industry, especially if working on the set, photo-shoots, etc stylists and make-up artists need to be able to work together in this fast-paced environment.
