

Second year in a row!

We are thrilled to announce our achievement at the October 17th, 2011 Emiliani Vision Becomes Reality Student Competition. Capri Cosmetology Learning Centers' Tylon Drummond took first place in this year's competition. Two years in a row Capri Cosmetology has taken first place in the Emiliani student competition. The competition consisted of 10 finalists from different cosmetology schools in New York and New Jersey. All contestants were judged based on their futuristic vision, imagination & creativity. Tylon won \$600 and a \$100 education certificate for classes at Emiliani. Capri commends all of the contestants for their hard work and fantastic jobs creating that "Futuristic Look". We are delighted to have Tylon Drummond take first place in this year's competition! Congratulations Tylon Drummond on your incredible work!
