

## Capri's Michael Delfino 1<sup>st</sup> Place Winner at Emiliani Beauty Expo

Capri is proud to announce that one of our Newburgh students, Michael Delfino, took first place in the Emiliani Student Competition this year! For the past three years Emiliani has held a student competition in which Cosmetology students throughout the tri-state area are welcomed to enter for a chance to win the grand prize! Each year, the competition has a specific theme that the contestants must demonstrate on their models. This year's theme was "Decades of Fashion". Contestants had to pick a decade and create that time period's look. Michael chose to create a style from the 1920's and transformed his model into a "Flapper Girl". His creative ability blew away the judges and earned him first place! Michael took home a \$1400 check and a \$100 Emiliani Advanced Education voucher.

Congratulations to Michael for all of his hard work and dedication. We are all super proud of you! Our congratulations also go out to the Capri students who placed in the top ten; Andrea Fish and Kelly Dunning!

Capri is also proud to say that for the three years Emiliani has offered this competition, one of our students has won first place every year!

2010 – Kristine Batewell, Education Rocks Student Competition

2011- Tyler Drummond, Vision Becomes Reality Student Competition

2012- Michael Delfino, Decades of Fashion Student Competition
